**Vision provided Manchester Metropolitan University with a fully managed print solution delivering control and cost reductions.**

*"Through our comprehensive tender process, Vision was selected primarily on technology innovation and their approach and can-do attitude and with the aim of making the University more academically competitive through effective use of technology, underpinned by first class service and support. Vision has done just that.*

*"We are now embracing and embarking on the implementation of further innovations with the use of Samsung technology and applications (apps), we are collaborating with the entire project team from Vision, Samsung and the University to design and bring to life apps that will help improve the student and academic experience."*

James Woodward, IT Services Leadership Team
